IF THERE ONLY WAS A MAN AROUND

We girls are ready to party. There's plenty of time and we've got the sexual energy to do it to ourselves. But we all agree there's something missing. Missing – you say? What else is needed for a sex-fest. We need a cock and we need it now. If only there was a man in the house...

I'm lonely no more. I've discovered that my chocolate highway is the perfect road to an introduction. There's no denying me anything when I offer my booty for your pleasure, and mine, too. REDS IN LUST

Guys, I'm here to tell you a little about myself and the stuff I'm into. That's why the editor's have given me this forum. To share my constant horniness with you so you can share your cum with me.

It all started when I wrote to the editors of this magazine about one of the models. Her name is Solstice and she was in a pictorial layout that started on page 17 and ended in my imagination. She was in a sex scene with another girl, but I was so totally fixated on Solstice that I didn't even get the other girl's name *(Ed: It's Lucy Fire)*. Not that she wasn't attractive or sexy, I would do her in an instant, but Solstice really got me wet and I have to acknowledge that. The layout is with the two of them kissing and hugging and licking each other..

Well, I did not reiterate all that to the editors. I just told them that I wanted to be introduced to her and see what would happen from there. I mentioned that I had dabbled with girl-love but it had been a couple years of boys until I saw that pictorial. I told them I don't look at adult magazines but I was over at my boyfriend Danny's house one night and found that issue in his desk drawer. We got into a huge argument (guys can be so insecure sometimes) about sex books and I ended up storming out of his apartment at 2:30 in the morning with my toothbrush - and his dumb old magazine.

When I got home, I was about to rip it up and throw it out but I couldn't do it. Rip it up, that is. So rather than try to tear the whole issue at once, I grabbed a few pages and started ripping. I did a few pages and noticed that I had torn a page with this gorgeous girl on it so I had to stop and look at her. Her breasts were naturally perfect, as her nipples were, too. They we erect and wet from being kissed. They were pink and round and calling my lips. I found the other part of the torn page and saw her making it with another girl.

Since it was late and I was tired from arguing with him, I threw the magazine into my bathroom trash can and went to bed. Okay, so I couldn't sleep, I was thinking of that ginger goddess. As I lay in bed, I slipped my hand down to my soon-to-be-wet pussy and started gently massaging it. I thought I would just do me a quickie so I could get to sleep. But the more I touched and rubbed, the hotter I got. I knew it wasn't going to be a few quick strokes, a mild 'O,' and roll over. No, I found myself thinking about Solstice and rubbing harder and harder. I slipped a finger in my pussy, and then two and three, and pushing them in hard. I usually don't put my fingers inside me, but I couldn't stop myself.

After about ten minutes and getting even hornier, I forced myself out of bed and went to the bathroom to get that torn page I first saw. I reached into the can and pulled it out, sat pantyless on the edge of the tub and looked at the pictures. My clit was hard; my pussy was wet and my fingers smelled of it. After staring and fantasizing about her, I reached down for the rest of the magazine. I now was curious what she did with the other girl. I put a couple of the torn pages back together and saw them licking and fondling each other. Tongues in each other's mouths, on each other nipples, licking each other's pussies. I didn't have to imagine myself there. I was there. I was the other girl in the pictures. I was the one kissing her lips, sucking her clit, thrusting my fingers into her wetness. I must have come twice just sitting there. I laid the magazine on the sink, went to bed and finally fell asleep.

I woke up in the early afternoon to

YES, I'M HOT.

I'm also sassy,
a sweetheart,
opinionated,
a bitch,
your lover,
and your
very worst
nightmare.
I'm your
ex.....
asshole.

After the last bottle of champagne is brought to our table, I'm suppose to take it and accidently on purpose spill it on my two friends. Our clothes get wet and we start to take them off.

the phone ringing and Danny's indifferent voice telling me what a bitch I was; how it's what men do; how he still wants me (yeah, all he wants is a fuck hole). I listened for a minute, then told him I needed to chill out. I told him I threw the mag away and if he wants to look at that stuff, he should go out and buy another one - or two.

Well, enough of that. I told the editors that I would really like to meet Solstice (but what I meant was wanting to have sex with her) if they would just get in touch with her for me. That I wasn't a weirdo or anything like that. That my name and address were real. That my feelings for her were real. But really, I didn't expect to ever hear from the editors, but two months after I sent it, I received a letter back saying they got my letter and coincidently Solstice had stopped by the office and gave her my letter.

A couple days later I wrote a thank you note back to express my thanks and, admittedly, a bit of nervousness if she were to ever respond to it. I explained what I just told you about my boyfriend and that night with Solstice's picture in my bathroom, and that my interest in loving girls has been rekindled.

There must have been someone on the staff that got a stiffie with that thought. I received another letter a week later asking me that if she did get in touch with me and we hooked up, if I could write about it in all the wet and glorious detail the readers expect from girls loving girls. I got so excited, I Immediately said 'yes.' Dear reader, I guess you have probaby figured out that since I'm here writing to you now, that my letter got answered by Solstice. She told me what a sweetie I was and thanked me for the nice note. We talked a while about girl lovers, photo shoots and labradoodles. You'll have to stay tuned to find out more, because for all you know, I could have just gone to the editor's office and given him a hummer for this blog spot. And I could have ended up writing about my grandmother and her wonderful cookie recipes. Hey grandma, is it one tablespoon or one teaspoon of sugar???

– Kendall, Santa Clarita

PARTY ON SET
VERONICA RODRIGUEZ

Party Girls: *Veronica, how have you been? It's been about a year or so.*
Veronica: I'm doing great. How bout you? Yes, it's been a while. I remember we last spoke in Los Angeles when I was on this big movie shoot.
PG: *We talked for a couple of hours while you were in make up. Lotsa fun. How did the shoot go for you?*
Veronica: Oh it went fine. Mostly the same old stuff but I met some nice people and they booked me for a few more movies after that.

PG: *Your movies are always hot. What else is going on?*
Veronica: I've been working for several companies and doing a lot of photo shoots. I've been traveling around the country doing appearances. And I just returned from a long vacation in Cabo. That was really invigorating.
PG: *Sounds like you had a good time doing nothing.*
Veronica: Yeah, I did almost nothing but swim for a few weeks down there.

PG: *But now you're back to work?*
Veronica: Actually I start this weekend back in Los Angeles. My call time is at 10 am. I'm glad it's not at 5am.

PG: *And what, may we ask, will you be doing?*
Veronica: I have a scene with two other girls and my date. A mini-orgy.
PG: *Now that really sounds like fun. Care to elaborate.*
Veronica: It's a nightclub scene and I'm there with my two girlfriends and a guy – my date. We get a little tipsy and start to kiss on each other in a large corner booth. After the last bottle of champagne is brought to our table, I'm suppose to take it and accidently on purpose spill it on my two friends. Our clothes get wet and we start to take them off.

Veronica: Isn't it. Then we're suppose to start getting it on with each other. We'll do it on the table, in the booth, and for the conclusion, the crowd is suppose to cheer us onto the dance floor where we finish our little sex act.

PG: *The director must have some imagination.*

Veronica: It was actually my idea. He had us going into the bathroom and doing it there, but that was so old hat. I suggested that we do it right there in the club and let the audience watch. He thought that was great spin on it and wrote it into the script.

PG: *Sounds like you might have a little director in you – pardon the pun.*

Veronica: Ha, ha. But you know, I would like to direct. I've been in this business for many years and I want to share my experiences, and I think I can make a pretty good movie if I put my mind to it. I think I have some good ideas.

PG: *Would you care to share one or two of them with us.*

Veronica: Well, I'll confess that I was in Cabo writing script outlines. As the director, you must know everyone else's job, too.

PG: *It pays to be well rounded.*

Veronica: So one of my ideas is to do a movie at a dinosaur dig site. The paleontologists discover this new fossil and they all celebrate – with sex.

PG: *Wow, I'd like to be on that dig!*

Veronica: It's not quite that simple or that quick, but there is a lot of hanky panky going on in the tents and in the dig pit. In the first sex scene, I'm going to have two of the girls on the dig eating each other out and having sex using one of the bones they found as a dildo. Cool, huh? Then the lead digger, as I like to call him, gets blackmailed by the museum's lady rep with a blow job. But not just any bj. She does him in the dig pit and has her assistant assist. They pin him against the wall and you'll be able to see the creature's mouth right next to his dick, so I'll cut back and forth with shots of the girls' mouths open about to suck his dick with the dinosaur's mouth. Like they are the monster. Pretty cool, huh?

PG: *That sounds like some pretty Jurrasicly cool stuff.*

Veronica: Yeah, isn't it? There are a few more sex scenes, including one that has a couple of the diggers fucking in a jeep with a sandstorm raging all around.

PG: *That sounds ambitious, How are you going to manage a big dust storm?*

Veronica: I'm talking to CGI guys to see if they can do it. They say they can but want to be there on the set to take notes and check angles and other stuff.

PG: *They're just trying to get on a porn set.*

Veronica: They too might learn something. Maybe even give one a bj.

PG: *That's quite generous of you. And what other type of movie will you make?*

Veronica: I have a great idea to do a take on ***The Grapes of Wrath.***

PG: *By John Steinbeck?*

Veronica: Oh, you've heard of it. (chuckles) Yeah, that's the one. Those people had such a hard time that I imagine the only reprieve from such a hard life had to be sex, and lots of it.

PG: *This should be interesting. Can you describe a scene for me?*

Veronica: Sure, there's a family struggling to make a living and they are working the fields. They work hard all day for the man, but cannot afford any type of entertainment; movies, ball games, even dinner out. There is an old guy in a wheelchair, kinda the patriarch, who convinces the women who do not go to the fields to put on a sexy show for their guys after they come home. It's seems like a natural way to relieve the men of their tiring and stressful days while providing some entertainment for both sexes. Pretty cool, huh?

PG: *I have to admit, that's a pretty unusual idea for an adult film.*

Veronica: Yeah, pretty cool, huh? For the ending I'll have the farm owner come to their house and walk in on the festivities. I'm thinking he'll come into the house and the women will do a reverse gangbang on him. He'll have no choice but to raise everyone's wages, then they'll all get Mercedes and go out to movies and have dinner at expensive restaurants – and stop having sex. Kinda like real life, huh?

PG: *Veronica, this has been an unusual and enlightening conversation. I think you're on your way to directorial stardom with ideas like that.*

Veronica: I'll give you a VIP pass to the set – and maybe even a bj, if you would like!

SOMETIMES THE BEST SEX PARTY IS A VIRTUAL PARTY

here's very little interesting about my sex life. I am very horny since it has been about six months since I last had sex, so I started browsing around the computer again for porn. I head on over to my favorite site and started looking for something I was in the mood for: a threesome with two girls. I usually use the laptop for this indulgence, but I figured I'd try something I hadn't done `before, streaming my laptop to the TV to watch porn. The issue with finding a good video is that both girls have to be pretty: nice face, nice boobs, nice body. Other than that I was cool with the rest. After a bit of looking, I finally found one that I thought I'd like. It started with a guy sleeping in bed with a girl next to him. As the girl starts waking up, a second girl walks into the bedroom. She's a gorgeous redheaded ginger and she saunters over to the bed and sits on it next to the other girl.

Then the redhead laid down next to the blonde girl in the bed and started kissing her face. The blonde wakes up slowly but the guy seemed really tired as he just laid there oblivious to the action going on beside him. The blonde was now fully awake and was whispering to redhead as they kissed in between whispers. They both kept glancing over at the guy as the two tried to muffle their kisses and laughs. The blonde then breaks their kiss and rolls over on to the guy and takes the sheets off him. Of course, he's naked under there, apparently sleeping with a hard on. The ginger got up walked around to the other side of the bed. The blonde poked at him to wake him up even more but he was not going to wake up so easily. Then red kneels on the bed and bends down to take his cock into her luscious mouth.

The scene was not that hot yet but I've had this threesome fantasy before, even if it hasn't happened. It really didn't take long before I was fully hard and quite turned on. I started stroking myself harder to move things along. But suddenly, I felt my girl Mandy plop down on the sofa beside to me. She gives me a quick kiss on the cheek and looks over at the TV and then at my cock. She asks me how long have I been watching and I tell her not long. That willy had just gotten to full attention. Then she blurts out that she invited her good friend Marlene to hang out a today. Before I could put my dick back into my pants, I hear Marlene coming into the living room. Mandy and Marlene are girlfriends and lovers. I know Marlene has had only a few men sexually, but she's flirted with me a few times before. They're almost always together and I call them my M&Ms.

"Hi Spanky." she said laughing as she saw what was on the screen. To my surprise Marlene says she's seen this video. "This guy was asleep and the two girls get him up by sucking on his..." and she stops there and points at my man-meat. I had never heard Marlene talk about this type of stuff, let alone the exact video on the TV. As I was about to shut the video off, she said "Dean, you don't have to turn it off because we're here. Just let it run a little longer, it gets much, much hotter." Marlene smirked as she sat down on the sofa on the other side of me.

We all watched for a while as the scene played on and the three on the TV continued their sex session. I was about to reach down and for my cock but Marlene's hand was already there. I turned to Mandy to share a kiss and she gently pushed me back on the sofa and told me to lean back and relax. I put my arms up and behind both girls. Both Mandy and Marlene's eyes were on the screen as Mandy's left hand rubbed my chest and Marlene's right hand slowly stroked my shaft. I couldn't believe what was going on. I felt like a deer in headlights. I too was staring at the video as the blonde and redhead were taking turns riding the guy while the other sat on his face, both girls feeling each other up the whole time.

Out of the corner of my eye I sensed movements and turned to see Marlene had pulled up her sun-dress just enough to get her hand under it. She was touching herself so she must be really turned on, I thought! I turned my head just in time to see Mandy lower her head to meet with Marlene's stroking hand. Mandy then took the tip of my cock and sucked it. It slipped out and Mandy let out a cute little laugh and took my cock into her hand from Marlene. After running her tongue up and down my shaft a few times, she slipped the tip back in her mouth.

As this was happening, Marlene pulled up her dress to her waist to reveal some pretty panties. I thought that maybe she was expecting some

fun times with Mandy later. Marlene kept up her pace, rubbing herself under the smooth fabric of her panties as I attempted to undo her bra. Mandy slowly made her mouth cover my shaft as her tongue worked on the head. I groped at Marlene's right breast in my hand as I reached under her dress. This triggered another gasp form Marlene as her breathing started getting faster. As I enjoyed the experience, and Marlene was clearly approaching climax, Mandy's tongue started really working what she knew I loved. Within the warmness of her mouth, her tongue started rubbing my cock head in a way which made me squirm! I couldn't help the noise out of my mouth! As I squeezed Marlene's boob tightly making her moan even more, I was so close to cumming I could feel it! Even the dude in the video was about to let loose as he stood in front the two girls with their mouths wide open ready for it.

Marlene glances over at the TV and asks if the guy had cum yet? Mandy takes my cock out of her mouth and says that he's about to. I thought it would've been pretty hot to climax as the video ended, but it seems my girlfriends had other plans. Marlene then took her hand out from under her panties and slid down to the floor. As I refocused on Mandy's mouth I moaned low and long. I hear Marlene ask Mandy what she just did to make me moan like that. "Guy's never make that kind of noise when I go down on them." Marlene added.

Marlene takes my cock out of her mouth long enough to tell Marlene what she did. While still stroking my shaft, she asks, "You can take the whole thing in, right?" "I actually can't because of my gag reflexes, but I can do most of it no problem." Marlene said. Then with me between them it starts to get a little clinical. Mandy starts by pulling my dick straight up and my foreskin down. "Do you see this part where the head starts, it's really sensitive and he loves it when your tongue circles it." Marlene says she already knew that as she put her mouth on the tip, circling the head with her long, wet tongue.

I put my hand on top of her head and told her how good that felt. Mandy took my cock back from Marlene's mouth and into hers and back out again. She holds it low down the shaft and points – "This part just under the head; that's where he likes your tongue-action?" Marlene said, grabbing it back with both hands and taking a closer look at the underside of the head of my cock. Marlene plopped her mouth on the head of my penis started really rubbing her tongue in that one spot, periodically stopping to slowly bob her head on my dick.

I could tell she hadn't swallowed a load before and I was trying to hold back. "Oh, another thing too, you should touch yourself while sucking him off, it'll really drive him over the edge!" Mandy said with a grin. As I held back, Mandy saw Marlene had both hands on my shaft so she slid closer to her and pulled her panties down a bit and starting rubbing Marlene's clit a little then quickly inserting a finger deep inside. "Mmmmm" came muffled moans from Marlene as Mandy fingered her with a mouth full of my penis. With that, I couldn't hold back anymore. I let my orgasm take over, twitching and squirming as Marlene never let her mouth off my cock. She swallowed each squirt as I came inside her mouth for the first time.

Mandy could tell I was climaxing and pushed against Marlene's G-spot making her squirm and orgasm over and over as she swallowed my sperm. She moaned and gasped as my cock slipped out of her mouth and Mandy took her over the top. Mandy's mouth lowered onto my cock cleaning up the rest of my jizz that Marlene missed. Marlene caught her breath and said that was the hottest thing that ever happened to her. Then she got off the sofa , grabbed Mandy's hand and pulls her up. The two then get up and run to the bedroom hand in hand. At the door, Marlene stops and says "Now I'm gonna take care of our girlfriend. You should go get us some food, were going to want some when we're done."

I collected myself and pulled up my pants. I grab my wallet and car keys as I hear the sound of the girls heavily making out. I walked out the door and jumped in the car. I wonder if they'll be done by the time I get back?

IT'S PLAYTIME FOR ADULTS, SO CUM ON IN

One thing that's surprised me is that every guy wants to stick his schlong in my ass. Well, I'm not ready for that one yet. I'll take a finger or two, but not a big dick, not yet. One guy 'accidently' got his cock-head into my back door and I bolted out of bed. He did apologize but it was not sincere. Needless to say, he's on my 'never fuck this asshole again' list. Dudes, treat your babes nice and they'll be nice right back.

PUSSY JUICE IS A GOOD LUBE FOR MY ASS

It doesn't take much for my butt hole to open up to a cock. Just some oral action and a few minutes buried deep in my pussy is all it takes. If you can't wait, then you can't have it. But mine's an ass worth waiting for because I can do things with it that other girls only dream of. But, what that is will be my secret, until your cock is in there.
